

# WHO WE ARE

Welcome to Papaz Bistro, where our passion for quality food, warm hospitality, and family values come together to create a unique experience for each and every one of our customers.

Our flagship company, Bunches for Africa, was founded by Jaco and Cindy Fischer in September 2002. Bunches for Africa specializes in the wholesale supply of fresh flowers to various retailers in the Western Cape and also sells flowers, gifts and decorative items directly to the public sector. In the early years, the owners of Bunches for Africa started a small coffee shop as part of the flower warehouse. Coffee@Bunches was introduced in 2006 and in 2018 management boldly decided to upgrade this coffee shop to a thoroughbred bistro called PAPAZ bistro.

PAPAZ Bistro was named after Manie Wright - Cindy's father. Manie have been with us since 2006, managing and cooking, and he played a significant role in shaping the identity of our bistro. Although he has since retired, he remains a key part of our team, working as an events chef behind the scenes on weekends.

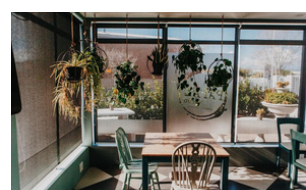

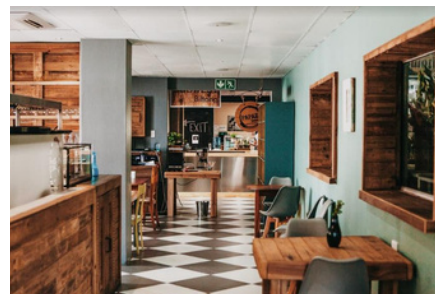

At PAPAZ bistro, we've created a warm and welcoming atmosphere that's inspired by the involvement of three generations in this family business. The interior is a decorative mixture of the past, present, and future, carefully chosen to give you a unique experience.

*The three generations behind PAPAZ*

Our mission is simple: to create a warm and welcoming atmosphere where our customers can enjoy food of phenomenal quality and premium service. We strive to make every visit one worth remembering.

Thank you for being a part of this journey & for making our dream possible.
